

# Do Your Clients Have Partners? They need a BUY-SELL AGREEMENT

The 'Pre-Nup' for business partnerships protects business owners and their families from unforeseen consequences of being a co-owner in a business.

*Why Your Clients Need One &  
What They Should Include*

## Why Choose Us?

Burnett & Associates, Inc. will spend the time with your client to make sure they understand each part of the buy-sell to ensure they are protected in the event of one of the triggering events. You can rest assured that your client is in good hands.

### TRIGGERING EVENTS

Sale of the business by a partner? Retirement of owner? Removal of an owner? Bankruptcy? Collateral of Business by a co-owner? The death, divorce, and or disability of a partner?

### WHAT THINGS DO WE INCLUDE?

We provide a simple flat fee partnership agreement for your clients, with the adoption to their Bylaws or Operating Agreement. All consultations are included.

### CONSEQUENCES FOR YOUR CLIENT

Without a properly drafted Buy Sell Agreement for a business with partners, a single problem in a partnership can turn into years of litigation, and destroy business
